**Full month of skating – If you haven't yet helped out with our Learn to Skate program, please ask a board member how you can help. It's our biggest fundraiser to help keep club ice cost down and those skaters help keep our club and our sport thriving! We appreciate everyone who takes part of this!**

## December 2022

2022 is coming to a close! Be sure to watch the ice schedule around the holidays and of course, watch your email for any weather updates. The rink only closes if Broome County is in a State of Emergency and the City of Binghamton issues a travel ban. As always – use your best judgement when deciding to drive in the snow.
