

# Megan R. Hickling, SHRM-CP

(607) 321-1173 - mhickling23@gmail.com

*I am a firm believer that if you have knowledge and love for something pass it on to those who do not. I also believe that figure skating not only builds character and confidence but also gives a sense of accomplishment. It also prepares children for life, teaching them about resilience, endurance, and perseverance.*

## Education

---
